

A Request for Urgent Intercessory Prayer

In the name of the one, true, living God, His glorious Son, our Savior Jesus Christ, and in the power of the Holy Spirit, we greet you, fellow saints. As leaders of a global family of church planting movements, including 52 house church networks in Iran, we write this request for urgent intercessory prayer.

According to God's unchanging and matchless word, we recall the commands from Hebrews 13:1-3 (NIV): *"Keep on loving one another as brothers and sisters. Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. Continue to remember those in prison as if you were together with them in prison, and those who are mistreated as if you yourselves were suffering."*

One day, by the grace of our Lord, we shall all fellowship together, face-to-face. But until then, we commit, before the throne of heaven, to offer our prayers for you, expressing our deep love and praising Him for our partnership together in the Gospel.

We are humbled at this moment that the Lord has extended an invitation for many of us to suffer for His name's sake. Our hearts are strong, and our words are bold. But we confess to you that the evil and violence of war has been wearying to us, and the loss of family and friends has not been easy. Would you help to carry our burden?

Since the days of Daniel 10, there has been a spiritual battle raging over Iran and all of its peoples. The culture is thousands of years old, with unique customs, tribal systems and a very strong religious history. Too, Shia Islam has its own belief system and very strict sharia laws that has covered the hearts and minds of youth for generations.

But, thanks be to God, we are working day and night to free the people of Iran from these chains and reunite them to our Father GOD by delivering the message of our Lord Jesus Christ to every person.

We ask for every believer to join us in praying that the Prince of Peace will reign, that violence would end, and that the flame of the Holy Spirit would spread across the land. Perhaps this onslaught of evil has come as an effort to stop the advance of God's kingdom. We are not sure. Please know we have surrendered to our Lord Jesus Christ, and as long as we are alive, we will spread the fame of our Savior.

We invite you to join us in this great work with your prayers and supernatural support. Let us, together, declare His glory among all the peoples, tribes, and nations of Iran and among all those who have never heard.
